ABOUT US

Redondo Beach Educational Foundation

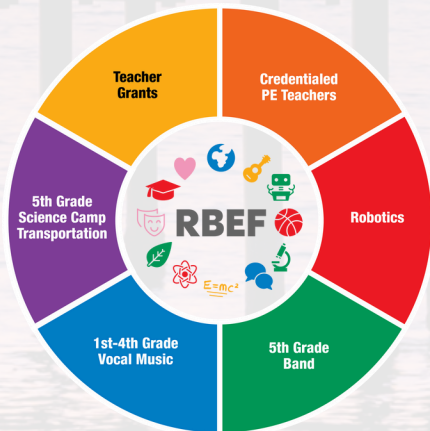

Established in 1991, the Redondo Beach Educational Foundation (RBEF) is a 501(c)(3) nonprofit organization whose mission is to inspire our community to invest in Redondo Beach public schools so that every student can develop knowledge and skills that go beyond what public funding alone would achieve.

We believe the best opportunities come from raising the most well-rounded children, and we support whole child development for all students in our Redondo Public schools from their first day of Kindergarten to their last day of High School.

ABOUT THE EVENT

This year's Spring Gala theme is **Sunset Soirée — A Night of Giving** benefiting **the Redondo Beach Educational Foundation**. The event will occur on May 16 at the beautiful Kincaid's restaurant in Redondo Beach. We are expecting over 250 guests to attend this year.

Our goal is to raise \$100,000 at this event to help fund programs such as Teacher Grants, PE Teacher, Robotics, Band & Vocal Music, Science Camp transportation, AVID Support, and more. Your support would be essential in helping us reach that milestone.

We have several sponsorship opportunities available, each offering valuable benefits, as detailed in this sponsorship package. We hope we can work together to make our Gala another incredible success!
